DTR Rock Breakers

- **Range:** Backhoe Loaders & Excavators- from 6 Tons to 38 Tons. (Open Split & Silent Options)
- **Type:** Designed for all types of applications (Primary & Secondary).

Performance/Benefits:

- **High Productivity:** Nitrogen Charged backhead for superior impact transfer.
- **Efficient Demolition of Rocks/Concrete:** Large dia piston for high impact energy.
- **R.O.I.:** Low cost of operation & Maintenance, Original DTR parts.
- **Long Service Life:** High Durability, High Cost Benefit.
- **Safety:** Robust Casing protects inner body from damage.

After Sales Service:

- Prompt, efficient & cost effective parts & service availability.
- Service & Parts availability commitment sets us apart.
